U.S. Probation Officer Action:

As the Court will recall, Mr. Taylor's supervised release was revoked on December 17, 2003. He was sentenced to nine months in prison for his continued drug use and noncompliance with mental health treatment. As a result, on August 13, 2004, Mr. Taylor was released to supervision for one year. Since being on supervision, Mr. Taylor has had a few difficulties which hopefully mental health counseling will address. This officer will contact the Court if additional problems arise.

In addition, Mr. Taylor was ordered by the Court to pay a \$2,000 fine and to date has paid \$325. Although his mother continues to make payments, Mr. Taylor may not have his fine paid in full prior to his termination date of August 12, 2005. As such, this officer is respectfully requesting that Mr. Taylor be allowed to terminate from supervision despite the fact his fine may not be paid in full. This officer has also notified the United States Attorney's Office of this matter.

Respectfully submitted,
